The questionnaire results show a clear positive response to the questions asked, forty-four families responded out of 98 - 45%

For the 'disagree' response of question 5 two families gave the reason their child was 'only in reception'. Another said their child couldn't name any festivals but the child stated they hadn't been asked.

Question 5 about festivals is the main area that needs to be focused on, with Christmas and Easter coming I want to ensure each class has a lesson focus on Christian festivals.

Question 8 was not responded to by one family that felt 'not sure yet' (reception child).
