Dear Parents

From time to time it is necessary to record or update our records regarding children who may suffer from allergies or other medical conditions. This information will be kept strictly confidential within school but we think it is important that all staff are aware of any problems should an incident occur.

Please could you complete the form below and return it to school as soon as possible.

Yours sincerely

Ellen Cieka

.....

My child _____ suffers from/is allergic to

in the event of an occurrence please state any action you wish the school to take, including contact telephone numbers:
