Principal: Mrs S ASTON

October 6th 2016

Dear Parents,

First of all, we would like to thank you for your continued support this term. We now have an opportunity to inform you that our new school website has been up and running since the beginning of term. The content of the old website has been transferred across and we have spent some time “tidying up” the layout of the information.

The platform being used for the website gives us, as a school, the ability to easily and quickly manage content, is easy to navigate and is search engine friendly. We can add a range of information to the website: calendar, class information, news and events and photographs along with everything else you would expect to find.

We are very excited to announce that parents can also access the website and attached to this letter is your very own and unique username and password. One of the key features of this will be the ability to book parents’ evenings ONLINE! Please log in over the next few days to make sure that your username and password are working as we will shortly be announcing the booking procedure for our Parents’ Evenings on the 19th and 20th of October. If you have any difficulties please call us or pop in so that we can fix it.

Yours Sincerely

Mrs S Aston
